

Welcome Survey

You can help us to get to know your background and your expectations.

Field of Study

What is your current field of study?

- ☐ Informatics
- ☐ Information Systems (= Wirtschaftsinformatik) / Information Engineering
- ☐ Informatics Teacher Education
- ☐ Another subject:
- ☐ I'm a PhD student, an employee, or fall into another category:

Phase of Studies

In which phase of your studies are you?

- ☐ Bachelor
- ☐ Master
- ☐ I'm not a student.
- ☐ Something different:

Theoretical Experience

How many other lectures or courses (e.g., MOOCs) on data science have you attended until now (excluding courses which you've just started to attend)?

Antwort: (≥ 0)

Practical Experience

Did you ever acquire or are you currently acquiring practical experience in data science in the form of ...

- ☐ an internship
- ☐ a full-time job
- ☐ a closed-source or open-source project
- ☐ a hackathon
- ☐ a side job (e.g., HiWi position or Werkstudent)

Python Experience

How would you rate your Python skills?

- ☐ No knowledge of Python
- ☐ Beginner
- ☐ Intermediate
- ☐ Pro

Expectations - Lecture

What do you expect to get out of the lecture? (e.g., regarding personal interests, further studies, career)

Antwort:

Expectations - Exercises

What do you expect to get out of the exercises? (e.g., regarding personal interests, further studies, career)

Antwort:

Examination

Do you want to take the exam for this lecture?

- ☐ Yes, (probably) in the current (winter) semester.
- ☐ Yes, (probably) in a later semester.
- ☐ No.
- ☐ Not sure yet.
